

Preliminary questionnaire about Italian language and culture

Hello everyone and welcome to this new project! This questionnaire will serve as first impression of how much you know about our language and culture and, for thanks to this, to better structure our future work together. Enjoy!

Agreement n. 2024-2-IT02-KA210-SCH-000290773

WARNING!!!!!!!!!!

When getting the results of the test some of the **open answers might come back as "wrong"**, even though you did everything right. The reason is that we wanted to give you more infos about each question, so Google makes a big mess with that. However, **read all the feedbacks carefully and don't worry we will check all the answers!**

General italian culture questions
